

## RANGE: RUB-OFF

**Brief Description:** Rub-Off is a classic, soft & supple embossed hide that is mainly associated with deep buttoned furniture such as Chesterfields. After the hide is upholstered, the dark, thin top coat must be rubbed off to give the required antique effect then it must be spray sealed with the appropriate lacquer. All rub-off solution and lacquer details are available on request. This leather is subject to colour change in use.

Flammability BS 5852 part 1 - UK Cigarette & Match of the Furnishings (Fire) (Safety)Regulations 1988	Pass

**Care information:** To give you years of enjoyment from your leather furniture please observe the following:

- Avoid exposing your furniture to direct sunlight or direct heat.
- Avoid sharp objects such as studs, buckles & zips coming into contact with the furniture.
- Dust and vacuum your furniture regularly
- Wipe off stains and spills immediately with a soft, lightly damp cloth taking care not to soak the leather.
- Leather these days do not need to be fed and the use of saddle soap or wax polishes should be avoided, especially spray polishes.
- Use of general household cleaning products, chemicals and abrasives are not recommended as they can breakdown the protective surface and cause damage.
- Do not use any method or product not recommended by the manufacturer.
